Before & After School Club

The Kingsley Preparatory School offers a secure, fun and enjoyable environment for children requiring care before and after school hours.

Our experienced staff are passionate about providing a range of diverse and stimulating provision, catering for children of all ages. We aim to help children develop their full potential through positive, social, emotional, physical and intellectual experiences.

Activities include arts and crafts, biscuit decorating, puzzles, quizzes, Lego, film days, bingo, outdoor play and quiet time for reading and homework. Sessions are rotated on a timetable, giving all children the opportunity to participate in different activities. We also have a suggestions box, and are always welcome to new ideas!
