Celebration of the Arts Exhibition
Saturday 3rd July, 10-4pm

Dear Current, Future and Prospective Parents

The Kingsley School warmly invites you, along with friends and family, to the annual 'Celebration of the Arts Exhibition'. We will be showcasing work primarily by students from all key stages, from Year 7 to Sixth Form. On display will be a range of art, textiles and photography.

This will provide an opportunity to celebrate the huge variety of ideas and talents of our students. The exhibition will be held in the senior school art room, gym and textile room, with access gained via the garden gate.

A one-way system will be in place with all visitors requested to maintain social distancing and follow all other government guidance in place on the day. Photographs of the GCSE and A-level work will not be permitted due to exam board regulations and visitors will not be permitted to touch any of the art.

We really hope you can make it and look forward to seeing you on the day.

Yours sincerely,

E. Lax
