# Enrichment Programme

## Spring 2022

Welcome to your Enrichment Programme for the next term.

Please look through this booklet and chat to your friends, teachers and parents to decide which skills or sessions you would like to sign up for. Please use the back of the booklet to record your preferences so you are ready to submit your choices when registration opens.

Sign up will be during form time on Monday 10th January. You will need your mobile phone, or you can log on to a computer in Room 16.

## Please note:

- Only sign up to one club per day.
- Please check the schedules in your form room for days when you are already signed up to a club from last term, or expected to attend a club this term. Note these down in your booklet. Speak with the club teacher if you no longer wish to attend.
- If you have a clash of two or more clubs on any day, please speak to the teachers of each club to ensure you are registered to only one.
- Numbers for clubs are limited. If your first choice of club is full you will be put on the waiting list. You will then need to submit a second choice.
- For sports clubs, if for any reason you are unable to attend a particular session, your parents will need to e-mail [sportsabsence@kingsleyschool.co.uk](mailto:sportsabsence@kingsleyschool.co.uk). Your name will then be added to the 'drop in' register for either a Monday or a Thursday and you will need to attend homework club in the LRC (Monday) or STEAM Room (Thursday).
- Homework Clubs - you are expected to have a reading book with you in the event that you have no formal homework to complete.
