We also learn about different types of knots; learn how to use tools to chop, saw and whittle; create fire balls and fire cups for tinder for our camp fire; and build dens, zip wires and different types of obstacle courses to challenge ourselves and others. These are just some of the amazing experiences we have!

WHAT DO WE EAT?

We need to drink water during our school day. You can bring a reusable bottle of water to school. This can be filled up from the tap in the classroom. Make sure your bottle of water is **clear** and is **named**.

We need a snack every day to eat at break time. These should be balanced and varied and must not contain nuts (Please label snack boxes with names!)

We have a delicious and varied menu at The Kingsley School. We always have a hot lunch like roast beef or lasagna. There is also the option of pasta or a jacket potato, with a salad bar, too. There is always plenty to choose from.

You can check on the school website for the lunch menu each week:
